### Invitation for a “Back-to-School” Gift

#### 1. Download and print alphabet template

On the back side of the template, colour in the letters of the alphabet needed for the receiver's name with a pencil.

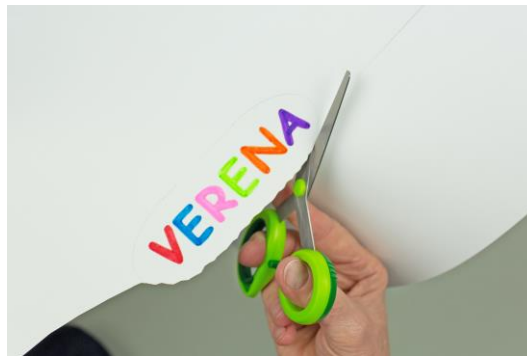

#### 2. Place the template on white construction paper and re-trace the letters with a pencil.

3. Use the Connector Pens to colour in the letters

4. Draw a rough ellipse around the name and then cut it out with scissors. The cut of the shape does not need to be perfect.

5. Cut out a small cone from blue construction paper and write the invitation on the reverse side. Apply adhesive to the top edge and glue the previously cut crepe paper to it.

6. Glue the ellipse with the name on the reverse side.

7. Cut out a second smaller ellipse and using the Connector Pen, write the date of the first day of school on it. Draw dots around the border of both ellipses after they are glued onto the cone.
